Dear Sir,

We acknowledge receipt of your letter addressed to UEFA vice president Mr Marios N. Lefkaritis, in which you complain about the conduct of some of Real Madrid supporters on the occasion of the UEFA Champions League semi-final match Real Madrid CF v. FC Barcelona played on 27 April 2011.

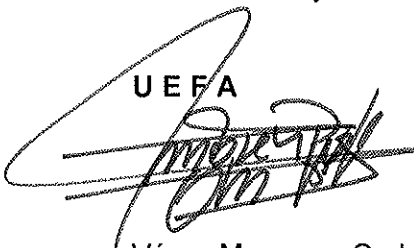

To be fair to all parties concerned, we have to request Real Madrid's version of the facts before an appropriate decision can be taken by the relevant body. In this respect, you are requested to provide us with the footage of TV 3 that you mention in your above-mentioned letter.

**by Thursday 6 October 2011.**

We look forward to hearing from you.

Yours faithfully

UEFA
